BROOKE NOLL
Corna, 2013
Motivated from the need of raw faced plywood or veneered with faced plywood,
she designed this chair.
French, rosewood, and oak veneer are the materials used.

BROOKE NOLL
Alpha, 2016
SOLID WALNUT, ROSEWOOD, OAK, HICKORY, MAHOGANY, or BIRCH.

With its perfect proportions and graceful lines, the Alpha chair is made of solid wood using the
most advanced wood shaping production technologies available, which allow the creation of fluid gestural forms
that are both organic and sensual.
